Faith it Forward

Deuteronomy 6: 1-2

This is the commandment, the rules and regulations, that God, your God, commanded me to teach you to live out **in the land you're about to cross into to possess. This is so that you'll live in deep reverence before God lifelong, observing all his rules and regulations that I'm** commanding you, you and your children and your grandchildren, living good long lives.

welcome!

We're glad you're here today. We're a group of people learning what it means to be followers of Jesus. This is a place where **everyone is welcome, nobody's perfect, and** anything is possible. We welcome and encourage you to share your life with us as we journey in faith together.

What can you expect on a Sunday morning? Our worship services aim to be about 70 minutes long, with a mix of praise singing & prayer, and a time of inspiration and learning through the teaching that explores scripture, and issues of everyday life.

We believe that by working together, sharing our faith and our lives, we can accomplish much more than we could individually. **With God's help and the power of** the Holy Spirit, we believe we can transform our community and our world as the hands and feet of Jesus on earth.

If you're ready for us to get to know you, please fill out a "Welcome" card from the pew and bring it to the Connection Point in the foyer after the service. We hope you too will find a place of belonging here, and share your life and faith journey with us.

Come on out if you have been a part of the music, tech, or PowerPoint, or you are interested in joining any of these ministries. We will offer training on how to operate the booth to anyone who is interested in joining the Tech Team or PowerPoint Team. God continues to have a plan for the Friday Night Community Ministry. We often reflect on the happenings, connections, relationships and miracles that ensue when we join together as a community to serve. The most unlikely people meet to care for one another and walk through **life's challenges together. Resources and support** are lined up to assist those who feel that they are at the end of the road. This past Friday I stood in the food cupboard holding onto the large, black shelf lined with heavy cans, dressings, and other cooking ingredients, as it was tilting and in the process of collapsing. As I stood on the stool holding it in place and carefully handing the heaviest items down, the phone in my pocket rang. It was one of our amazing volunteers who can fix just about anything and I thought was out of town. He was calling to say he was available to help with whatever was needed. He came right over, took the measurements and purchased and installed another more solid shelf that very afternoon. It is without a doubt another blessing that happens each and every Friday when God is in control and a community of people come together to serve.

Needed items:

- *fruit cups, apple sauce, pudding, peanut free granola bars, individually packaged cookies and crackers, etc. for snack bags
- *school supplies for school aged children
- *Cuisinart that will grate cheese, etc.
- *salad bar toppings and dressings
- *yogurt and sour cream sized containers
