welcome!

We're glad you're here today. We're a group of people learning what it means to be followers of Jesus. This is a place where **everyone is welcome, nobody's perfect, and** anything is possible. We welcome and encourage you to share your life with us as we journey in faith together.

What can you expect on a Sunday morning? Our worship services aim to be about 70 minutes long, with a mix of praise singing & prayer, and a time of inspiration and learning through the teaching that explores scripture, and issues of everyday life.

We believe that by working together, sharing our faith and our lives, we can accomplish much more than we could individually. **With God's help and the power of** the Holy Spirit, we believe we can transform our community and our world as the hands and feet of Jesus on earth.

If you're ready for us to get to know you, please fill out a "Welcome" card from the pew and bring it to the Connection Point in the foyer after the service. We hope you too will find a place of belonging here, and share your life and faith journey with us.

Friday Community

As we reach our 10th year of Friday Night Community, we celebrate what once was and where we are at today. We are thankful to the group of guys who stepped out in faith to invite friends in our doors to share a meal, with no budget and no idea how it would turn out. We continue to honour all of the volunteers who have contributed in so many ways. We have much to be thankful for as we continue to find the food and financial resources to provide the afternoon Hub of Kindness and Purpose where about 40 friends join together in the afternoon, and our delicious community meal where we invite about 250 friends in our doors every week.

People come in our doors for many reasons. Some come because they are struggling with **food insecurity and don't know where their next meal will come from**, while others are looking for a community of people who care. Our friend John has been through a challenging time after diabetes took his leg last summer. He showed such resilience during his amputation and new prosthesis and held onto the hope that he would once again be back with us at the Friday Night Community. John has appreciated the assistance, visits and love we have provided during this challenging time. On more than one occasion he left the hospital or rehab centre, and took DART buses and taxis in order to attend the dinner and connect with his friends who care. This past week John moved back home after 10 months away. Please keep him in your prayers.

This past Saturday morning close to 30 of our Friday Night Community children joined

together for a **Superpower Kids'** workshop where they learned about their strengths and gifts. It is wonderful when we can connect as friends outside of Friday and have fun while growing in support and friendship.

We are looking for some gently used furniture for a friend who has recently moved into an apartment, is struggling with some health issues and relies on daily oxygen. He is still in need of an easy to clean, sturdy couch and love seat, living room end tables and coffee table, gently used pots and pans, TV stand, tall book case, and table lamps. We are also looking for a ceiling fan/light for another friend.

Our numbers continue to hold steady over the summer months. We are in need of help in a variety of areas as regular volunteers enjoy some holiday time. This includes Friday morning set up and sorting food, as well as playing games and connecting with friends in the afternoon Hub of Kindness and Purpose. We also need folks to help with food preparation and serving on the following Friday evenings, so please let us know if you would like to join in the fun:

UNAFRAID:

Living with Courage & Hope in Uncertain Times

Fear is a complex emotion. Sometimes it saves us. More often it robs us of the life we want. But we can take our lives back.

During most summer weeks ahead we will explore a series of messages to learn how **to untangle the knots we feel about...**

disappointing others, failure,
loneliness, unexpected tragedy,
insignificance,
aging and death.

Wherever we are on our spiritual journey how can we develop sustaining practices, **and embrace Jesus' recurring counsel: "Do not be afraid."**

Beginning next Sunday:

UNAFRAID: "In An Age of High Anxiety"
