

Service Times Change - New Trial for December & January

Thanks to our Service Time team (Jeff Weir, Nan Chin, Marg Torrance, Jeremy Cox, Al Ingram, Ruth Thoem) and everyone who participated in the survey after our September and October trial period with the Gathering Service at 10am and the Traditional at 11:30am. The survey results were quite mixed, as can be expected. The Gathering Service respondents showed a majority in support of starting one hour later at 10am, while the Traditional service respondents showed a majority in opposition to starting a half hour later at 11:30am. Continued growth in attendance is a key goal and we thank you for your patience and flexibility as we try different approaches in the hopes of finding a best fit for all members of our faith community.

Next Steps: The Board has decided that we will enter into a secondary service times trial period beginning December 4 to January 29, with the Gathering service at 9:30am and returning the Traditional service to 11am. We will seek feedback again before a more permanent time is selected.
